GENERAL GUIDANCE FOR ALL STATE SCHOOLS

1. General Information on Funded Opportunities

- 1.1. Where funded opportunities are provided to schools, it is to assist in the enabling of core roles one and two and extension role one of Music Education Hubs as outlined by Arts Council England. These are:
 - **Whole Class Instrumental Tuition (WCIT):** Ensure that every child aged 5-18 has the opportunity to learn a music instrument through whole-class instrumental teaching programmes for ideally a year at KS2 (but for a minimum of a term)
 - **Ensembles:** Provide opportunities to play in ensembles and to perform from an early age.
 - **Professional Development:** Offer Continuous Professional Development (CPD) to school staff, particularly in supporting schools to deliver music in the curriculum.
- 1.2. The action of providing funded opportunities to schools is a choice made by Kent Music and not a directive from the Arts Council England (ACE). Every Music Education Hub will engage with their schools differently.
- 1.3. Kent schools engaging in funded opportunities must adhere to the terms and conditions for each key stage in order to access funded opportunities with Kent Music. Kent Music reserves the right to stop funded projects and opportunities at any point in the year in any school and at any key stage if the Terms and Conditions are not adhered to.

2. Kent Music Annual Survey, Monitoring and Reporting

- 2.1. Kent Music is required by ACE to provide annual data showing the impact of the funded opportunities they provide. It is therefore a requirement of the receipt of funded projects and opportunities that schools complete the annual survey from Kent Music, the results of which are fed back to ACE.

NON-COMPLETION OF THIS SURVEY WILL RESULT IN FUNDED OPPORTUNITIES BEING LIMITED

3. Quality Assurance

- 3.1. The 2013 Ofsted report 'Music in Schools; what hubs must do' stated that music education hubs should 'have regular supportive, challenging conversations with each of their school about the quality of music education' Because of this, Kent Music reserves the right to quality assure any of its funded opportunities at any time.
- 3.2. Kent schools in receipt of funded projects and opportunities must agree to work with and meet Kent Music staff when necessary, to ensure that all funded activities are of a high standard and quality.

4. Crediting

- 4.1. Funding comes from the Department for Education, managed by Arts Council England. Arts Council England has produced a logo to be used when crediting funding from Music Education Hubs. The logo is available at <https://www.artscouncil.org.uk/advice-and-guidance-library/logo-and-guidelines#section-5>
- 4.2. The ACE logo MUST be used on all printed material used for public events that are funded by the Music Education Hub. Schools do not have to use this logo on their website if they are in receipt of projects and opportunities funded by the hub. The logo is only required to be used for public events which have been funded using ACE funding received from Kent Music.

5. Kent Music Teachers

Our commitment to Schools and Education Providers:

- Kent Music and their partnership providers offer experienced teachers, without the school incurring employment costs or overheads
- Our teachers and the teachers of our partnership providers are subject to a monitoring (quality assurance) system and are supported with a training programme throughout the year, including mandatory Child Protection training.

- All staff working with children and young people have a current enhanced disclosure through Disclosure & Barring Service

- 6.4. Schools will be required to complete the Kent Music annual survey to access funded opportunities
- 6.5. Funding cannot be used to:
 - subsidise the costs of 1-1 or small group tuition*
 - buy, hire, or mend instruments*
 - pay for performance licenses
 - pay for one-off events and workshops

 - pay for salaried classroom staff

**Students can apply to the Kent Music bursary fund to support the costs of their tuition. Information on this can be found on our website. In addition, if students need financial support to help with costs of instrumental and vocal tuition, we encourage schools to consider the use of Pupil Premium funding to support their costs.*

10. Funded Opportunity - MusicPlus

- 10.1. All *MusicPlus* teaching must be undertaken by a competent music teacher, either: a salaried music specialist employed by the school with the sole responsibility for music delivery; a classroom teacher who is competent in whole class instrumental delivery; or a visiting music specialist. We will not fund *MusicPlus* projects led by non-specialist music teachers or *MusicPlus* projects delivered on Ocarina or Djembe. Whole class instrumental teaching on these instruments can take place in all other year groups and must be paid for by the school.
- 10.2 All mainstream schools in receipt of funding at KS2 are required to use this funding towards a project in one KS2 year group or mixed year group if a smaller school.
- 10.3. If a school has chosen to engage Kent Music, or one of its partners, to deliver their *MusicPlus* provision, funds for that provision will be directed to Kent Music or the provider. *MusicPlus* provision is part funded by ACE

through a grant to Kent Music. This funding covers two thirds of the cost of the programme and schools are expected to make up the difference which amounts to £360 per class/project.

- 10.4. Kent Music *MusicPlus* projects are designed to be 30 weeks in length for one year group, with one hour per class/project of teaching time. Funding from Kent Music will cover 20 weeks of the 30-week programme where the school will be expected to contribute the cost of a 10 week project which is £360.

Payment is due within 14 days from the date on your invoice. A reminder email will be issued if an invoice remains unpaid after 14 days. Kent Music reserves the right to discontinue teaching with immediate effect following an overdue invoice. Sessions cancelled due to non-payment will not be rescheduled or refunded.
- 10.6. MPD is a blended learning approach to teaching and the full programme takes place over 30 weeks for one hour per active school week.
- 10.7. Kent Music partnership providers may provide 20-week programmes to schools.
- 10.8. - 10.12. Where needed, instruments are provided free of charge for *MusicPlus* projects. More details can be found by contacting our music resources department.
- 10.13. We ask schools to only make significant changes to their *MusicPlus* provision in the summer term in preparation for the next academic year. However, during an academic year, for a number of reasons it is possible that some *MusicPlus* projects may change providers from a Kent Music teacher to a partner provider, a private non-Kent Music teacher or vice versa. In such circumstances where a mid-year change is necessary require half a terms notice. The following notes outline the ways that the Music Education Hub will deal with your funding:
 - Non-KM to KM teacher/partner provider - your direct-to-bank payments will cease, and funds will be redirected to KM or to the partner provider.
 - KM teacher to non-KM teacher - your school will have been invoiced for your *MusicPlus* project at the start of the year. If a school chooses to change their provision mid-year the payment will not be refunded.
- 10.14. We ask that schools who have their *MusicPlus* provision provided by Kent Music to discuss *MusicPlus* teaching dates with your Kent Music teacher in advance of the project commencing to prevent a shortfall of delivery, including future sessions that will require rearranging, e.g., INSET days or school trips. Refunds will not be given for undelivered sessions of *MusicPlus* except for extraneous reasons such as prolonged Kent Music teacher illness (of at least 5 consecutive sessions) where this will be refunded at the end of the academic year upon application to customerservices@kent-music.com. In the event of sessions cancelled by a Kent Music teacher, these will be sought to be made up by the end of the academic year where possible.
